

GDS Welcomes New Board Member

London, UK March 6, 2014 – [Global Digital Services PLC \(ECM:STC\)](#), owner of *SiteTalk.com*, one of the world's fastest growing Social Networking Platforms with more than 15,000,000 Members, is pleased to announce that Stewart Irvine has been appointed to its board of directors ("the Board").

Mr. Irvine has a distinguished career as a leader and innovator in the mobile technology, e-commerce and computing industries. He is the founder and CEO of Imogo Mobile Technology and Go-Page, two exciting players in mobile and cloud computing sectors.

He brings to GDS a vision of an aligned evolution in mobile cloud computing that continually expands its limits and connections to customers on all levels.

A start-up entrepreneur at heart, Stewart drives constant innovation through extensibility, agility and iterative enhancements of ventures like Imogo and Go-Page. He assures that solutions are robust, react in real time, and adapt to changing market and technology conditions faster than the competition.

Mr. Irvine's professional experience ranges from consulting to manufacturing, consumer package goods, and retail. He has successfully run several new ventures.

The Board would also like to thank outgoing Board member Arve Evensen for his service with GDS and wish him well in all future endeavours.

About Global Digital Services PLC

Global Digital Services PLC trades on the Cyprus Stock Exchange's Emerging Companies Market under the symbol STC. SiteTalk Community Inc. became a wholly owned subsidiary of GDS pursuant to a transaction that closed on July 30, 2013. Presently, Global Digital Services PLC's sole asset is SiteTalk Community Inc., a multi-functional and multi-lingual social networking platform that enables members to connect, communicate and create business opportunities.
